Résumé & Curriculum Vitae

EMPLOYMENT HISTORY

Webmaster—KTSW-FM 89.9
San Marcos, TX
NOV 2013–APR 2015

Responsibilities included:

1. regular upkeep and maintenance of KTSW's official website and web servers;
2. frequent updates to the structure, content, and design of the aforementioned website and servers;
3. the introduction of new features to the aforementioned website with the goal of improving usability and enhancing user experience;
4. improving and building upon existing code (JavaScript, PHP, Python) and MySQL databases;
5. managing a staff that included two other departmental directors;
6. the expansion of existing documentation as well as the creation of new documentation, much of which would serve as instructional material for position successors;
7. working closely with fellow department directors to secure the high level of quality that is expected of KTSW's online presence; and
8. alternating, when necessary, between the roles of "team player" and "team leader."

Assistant Manager—Niki's Roma Pizza
Victoria, TX
APR 2011–JAN 2013, PERIODICALLY 2013–2015

Responsibilities included:

1. marketing and selling all products available within the establishment;
2. leading and training lower-tiered employees; and
3. maintaining the highest possible level of cleanliness and organization at all times.

Additional services:

1. the creation of a company trademark for employee uniforms and storefront signage
